

Florida's Emerald Coast is Calling

Partner with ThePremierPropertyGroup.com and EmeraldCoastConnection.net to generate **passive income** for your real estate business.

How it works:

1 Choose your co-branded email content.

Choose from a selection of co-branded content to email your database. We provide a number of options that work with your existing marketing programs. All you have to do is copy and paste it into your existing email programs.

2 Post display ads and blog content on your website.

We provide beautiful display ads and professionally written blog content for you to post on your website.

3 Use your unique tracking link—get 25% commission per deal.

We provide you with a unique tracking link like yourname.emeraldcoastconnection.net. All content and ads you email to your database or post to your website must use this link to ensure your leads are tracked and that you get your **25% commission** for each real estate transaction completed.
